In Memory of HOPE PARKER

Although we lost her long ago, the memory of her friendship will stay in our minds forever.

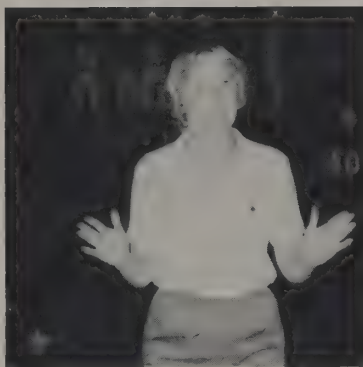

In Memory of NEAL ROGERS

Neal will always be remembered for his laughter and kindness. We will sorely miss him, but the memories we hold will be fond ones.

FLOWER: Peach Rose
SONG: Only Time Will Tell
COLOR: Light Blue and Peach

MOTTO: Some people see things as they are and say why.
I dream of things that never were and say why not.

PROM 1983

Boys left to right: Brian Huffer, Matt Crawford, Derek Brant, Jeff Hoffman, Jeff Hodson. Girls: 1st row, Queen Beckie Powell, 2nd row, Tina Petre, Cindy Rule, 3rd row, Trish Ploughe, Marita Huffer.

The 1982-83 Prom was a great evening for everyone. It was held again at the Moose Lodge on April 29. The Juniors decorated the lodge in silver and light blue to enhance the theme "LOVE ME TOMORROW". The music was provided by Master Mind. After the prom, all the Juniors and Seniors attended the post prom, at the Bowl 'n' Bun.

The junior class was active this year in the classroom. They were "tortured" by the teachers as they were made to read *THE CRUCIBLE* and *TO KILL A MOCKINGBIRD* as well as recite both the Preamble to the Constitution and the Declaration of Independence. They were also active outside the class. They got their first crack at being salesmen by selling magazines to raise money for the Prom. They also displayed their artistic talents by winning the banner competition at Homecoming that was sponsored by the Student Council.

CLASS OFFICERS: Treasurer — Julie Hussey; Secretary — Stacey Sanders; Vice President — Michael Thompson; President — Ellen McDonald.

This year's sophomores have gone through a very exciting year in their lives. Not only did they get to order their class jackets, but they also reached the magnificent age of sixteen when they received their driver's license. The year was also highlighted by the fact that Chris Burns, a wrestler, was champion of his weight class in both the sectional and regional.

Other activities included making a Homecoming banner and decorating the halls for the boy's sectional. Money for this was earned by working in the concession stand at athletic events.

The Freshman year means a big adjustment, because several classes are individually chosen rather than being automatically required. The year started out by preparing a banner for the homecoming parade during football season. By buying classrings, Freshman showed their class spirit. The Freshman class had two money making projects and there were sponsoring a dance after a basketball game and working concessions during athletic events.

at the OK Corral!*

The Clinton Central High School band presented its annual variety show on April 21 & 22 this year. The show was moved back this year in order to have more participants. The "Hoedown" was a complete success. The band received many cards and letters from alumni of the band on its outstanding performance. Band Varieties is the main money-making project for the band each year.

Our FFA is still #1 with us!!!

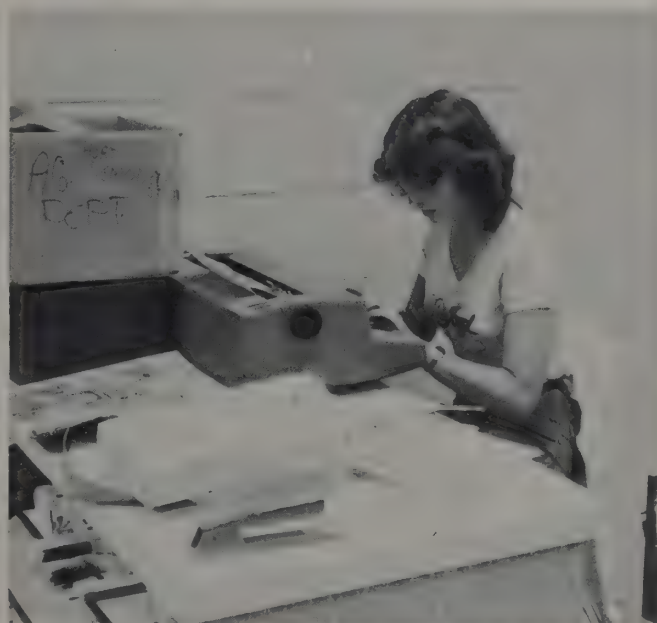

The Clinton Central Future Farmers of America Chapter was ranked second in the state of Indiana this year out of 219 chapters.

Members were able to participate in the State Convention in June held at Purdue University and also the National Convention in November held in Kansas City, Missouri. Members were also sold as slaves to the highest bidder for an 8 hour day to make money for the organization. In May the Seniors bring in different animals to show the first graders what they eat for the Food for America Program. Also during the entire year, members competed on various judging teams such as soils, crops, livestock, forestry, dairy, dairy foods, and horse.

Once again, the Sunshine Society had a very busy year. Under the leadership of Ms. Skertich and Ms. Crellin, the girls added several new items to the already large list of activities. Sunshine sold flowers, purchased coloring books and crayons at Christmas for Riley Children's Hospital, attended the state convention at Adams Central, and sent handicapped children to Riley Camp.

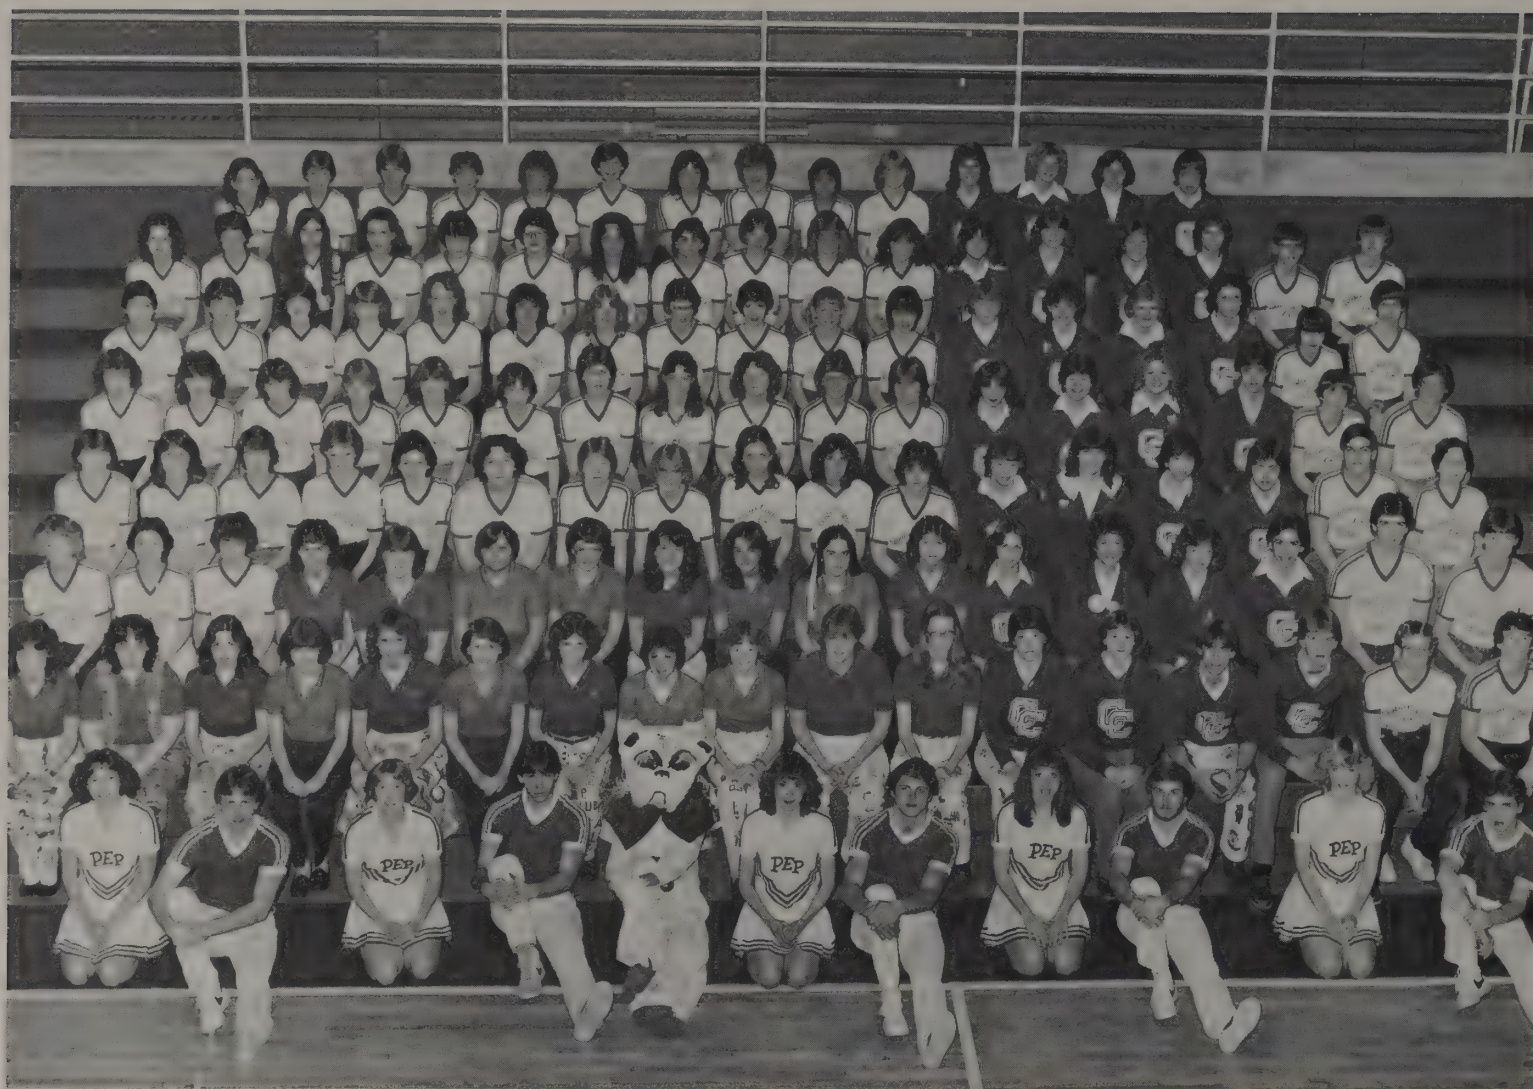

As per usual, the girls held the annual Sunshine Dance, sold candy, and participated in Peanut Pal Week, the Caroling Party, Rock-A-Thon, Daddy Date Night, and the Ideal Lady Tea.

The "A" Team

The 1982 Varsity Football Team ended the season 2-8 playing a very difficult schedule. Behind the leadership of the seven seniors, the underclassmen gained valuable experience. Several seniors received special recognition for their fine performances during the season. Rob Houchens was named to the All-State Academic Team while Brian Marcum was named to the All-State Second Team as a linebacker, to the All-State Third Team as a tackle, and to the All-Conference Team. Brian was also selected as the best Defensive Player. James Quick was honored as being the best Back and was also named to the All-Conference Team. Tony Bowman was awarded Best Offensive Lineman and Fred McCarter received the Mental Attitude Award.

The varsity volleyball team had another winning season this year, with an ending record of 16-5. The lady dogs will be stronger next year with the return of their top spiker who was injured in the first game. With the loss of only one senior and the upcoming freshmen and the JV players, the team should have an optimistic outlook for next season. The Junior Varsity also had a winning record with a better than .500 average.

Front row, left to right: K. Humburg, S. Groleau, A. Vice, C. Page, B. Warner; Second row: D. Burns — manager, J. Hussey, R. Long, K. Hodson, M. Thompson; Third row: M. Huffer, T. Clark, A. Welch, P. Wyrick.

Coach Norris' swim team had a very good season this year. Four school records were set including: Kim Humburg in the 50 freestyle, Ronda Long in the 100 butterfly, Polly Wyrick in the 100 backstroke, and the 400 freestyle relay team of Tya Clark, Ronda Long, Marita Huffer, and Kim Humburg.

The girls placed 8th out of ten teams in the sectional with at least one swimmer in each event. Girls placing in the top six were Kim Humburg, who placed 5th in the 50 freestyle and 6th in the 100 freestyle, and the 400 relay team mentioned above also finished 5th.

The team had several meets go down to the final event to determine the outcome. This factor lends to exciting meets, which helps the program set a strong following.

The boys swim team started a solid foundation for the swim program at C.C. this year. There were eighteen boys out for the team, including lots of new talent. This provided a good balance in all of the events, and also provided several close meets, which helped to gain the respect of the other teams. There was an average of nine personal bests set at each meet, which indicates the effort put forth by each team member.

Some of the outstanding members of this years team were Brad Humburg, who was the conference champion in the 50 and 100 freestyle, and High Point award winner, Brian Milburn — Most Improved Swimmer, and Rob Houchens — Mental Attitude Award winner. The teams final record was 2-9.

third row: Mr. Thompson, Scott Fox, Darryl Stock, Rodney Ottinger, Kip Burkes sec. row: Marla Jenkins, Dave Birden, Chris Burns, Matt Davison, Scott Davison, Michael Thompson first row: Nicole Knoop, John Scircle, Tim Hamilton, Robbie Surber, Christina Buckley

The Clinton Central Cross Country team, with only two Seniors, completed a fine season with nine of ten victories. The young Harriers finished second at both the Frontier and Clinton Central invitational and third at Carroll and in the Conference meet. Chris Burns turned in the highest point total for the season while Tim Hamilton and John Scircle were given mental attitude awards. This was the first year the team has had a full girls team. The girls ran in seven meets and the sectional.

Clinton Central's wrestling team made another strong improvement this past season with a 14-4 dual meet record, finishing first in three tournaments and placing 3rd and 2nd in the conference and sectional tournaments.

Central had 16 lettermen this past season with 15 returning to next years squad. The team improved greatly over the past season and with hard work and determination they should improve on next years season.

Many individuals on the team had very impressive records. Some of them include Gerrid Tishner, Jesse Davis, Chris Burns, Tony Bowman, John Rogers, Tobe Leazenby.

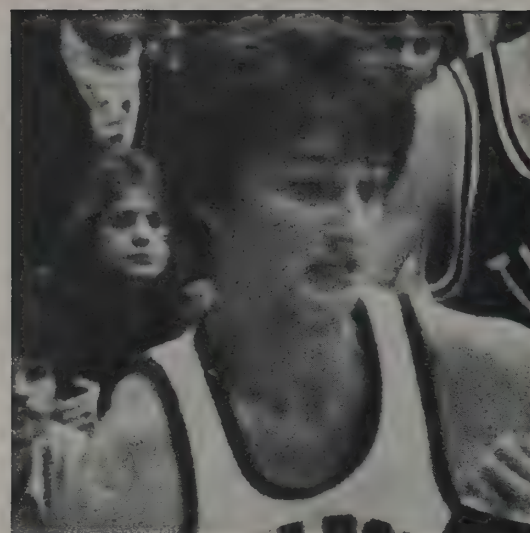

This has been a very successful season for most of Clinton Central's wrestling fans and hopefully we will have many more.

Central's diamond squad, with only four seniors, compiled the most wins in the schools' history and finished with a 10-15 record. The Greenclads also acquired their first baseball trophy by taking the County title.

Eight players, led by John Myers, Jeff Hodson, and Robbie Surbur, lettered. Myers, a four year all conference performer, completed his career with nearly a .400 batting average, 18 home runs, and 81 R.B.I.'s.

Hodson, with an ERA of 2.05, was forced to give up mound duties due to an injury, but contributed a .387 batting average and nearly flawless fielding.

Surbur lettered four years and finished with a .411 average including a school record four triples and eight doubles.

Junior Chris Henry led the team in stolen bases with 15, while underclassmen hurlers, Brian Laughner and Mike Shoup were under 3.0 ERA's.

Seventh grade — A new beginning

Coming from the elementary school is a big change for the seventh grade. They are no longer the "big kids," but rather feel they are starting again at the bottom. The seventh graders often feel they will never survive, but soon they like the freedom of their new school life.

Both the boys and girls had winning basketball seasons.

your future depends on plenty of electric power

More than 20 million people will join the U.S. work force by the year 2000. Hundreds of thousands of them will be right here in Indiana. And more likely than not, you'll be one of them.

Jobs depend on an ever-increasing supply of electricity—to power machines and equipment, to light, heat and cool offices and factories, to add muscle-power to man-power.

That's why we're working today—building ahead—to make sure that when you're ready to join the work force, we'll be ready for you.

Electricity does power progress.

In July of 1981 construction began to improve and modernize several areas of the school. The library was doubled in size and an extra classroom for journalism was added. The music areas were remodeled and added on to as well as the Gym. A completely new electronics room was built and there is now more space for printing. The Metal Shop has new welding booths and storage space in addition to much new equipment. The Ag students now benefit from an extra classroom and a very well equipped Ag Shop. Restrooms were also built on the east end to accomodate outdoor sports. The project cost approximately two million dollars and the building was entirely completed in September of '82. The construction appears to be a success as all students have in some way benefited from the new facilities.

The year of 1982-83 was an action-packed year for most of us and a cherished year for all seniors.

On the national sports scene, we saw the St. Louis Cards win the World Series, the Superbowl went to the Washington Redskins, while the Los Angeles Lakers were the 82 NBA champions. A new pro football league, the USFL, was launched.

Penn State was named the national champions in football and North Carolina State won the NCAA title in a shocking upset over highly favored Houston. Herschell Walker won the Heisman Trophy while Ralph Sampson was named the best college basketball player.

Here in Indiana, Oak Hill won the high school single A football title, Connersville captured the boys basketball crown, and Bedford North Lawrence won the girls' basketball tourney.

In the area of entertainment, many of us went to see the award winning movie, GAN Tootsie, Spring Break, said Goodbye to Mash the sounds of Lionel Toto, Shena Easton, groups as Men at Work, Ridge Boys, Alabama, on the downbeat side. Magazines seemed to be the long running soap operas. Favored by many as the ruin exercise such as jogging and

ertainment, many of us went to see the DHI, along with other films such as ET, and Fasttimes at Ridgemont High. We after eleven years on TV and listened to Richey, Air Supply, Rick Springfield, Olivia Newton John along with such rock Van Halen, Reo, and Bob Segar. The Oak and the Statler Brothers were popular Situation comedy, sports, and news magazines were firmly entrenched and the Video games were firmly entrenched and the action of today's youth. Healthful exercising are very popular among all ages.

The beleaguered economy showed inflation leveled off and the employment situation was what. Congress gave us a five percent raise, we were in the neighborhood of three dollars and coke set you back a couple of dollars. We fled to Central America along with the Challenger up for its first space shuttle. Barney Clark became the first artificial heart recipient. President Reagan was considering Clinton Central cut its staff by 10 percent, adding to the multi-purpose

signs of recovery as inflation picture stabilized somewhat, gas tax, movies costs' dollars, while a Big Mac bucks. World problems shifted to the Middle East as America in history. NASA sent the shuttle, while out in Utah, an artificial heart recipient. Bush running for a second term. Three jobs and was considered a room.

Blue jeans and boots were still the uniform of the day, but dressier clothes were more in evidence. About half the seniors were considering higher education, punk hair styles were semi-popular, and mini-courses were revived as we reflect on another year of our lives.
